Retention among Latino Populations Initiative**

5th All-Sites Meeting – November 19th and 20th, 2015

The Embassy Row Hotel
2015 Massachusetts Ave NW, Washington, DC 20036

AGENDA

MEETING OBJECTIVES

- To allow Demonstration Sites and the ETAC to share research findings and implementation activities through data presentations and discussion.
- To provide Demonstration Sites the opportunity to exchange ideas and information regarding the operationalization of the Transnational Framework for study intervention manuals.
- To provide Demonstration Sites the opportunity to exchange ideas and information regarding identification, locating out-of-care clients, linkage (enrollment) and retention of clients in care, expanding interventions, and lessons learned and to leverage opportunities for technical assistance from the ETAC.
- To provide the opportunity for Demonstration Sites, the ETAC, and SPNS to discuss procedures and plans for collaborative dissemination activities (P&D)

Facilitator: Ronald Brooks & John Saucedo

12:00 Lunch served

1:00 Breakout 2:

At least one representative from each site should attend each breakout session:

I. Recruitment Strategies- Successes and Challenges
Facilitator: Andres Maiorana

During this work group, sites will present their recruitment protocols and share which strategies have proven successful as well as challenges faced. This work group will allow sites to give and receive feedback to each other as well as to strategize for increased recruitment in years 3 and 4.

II. Retention Strategies- Successes and Challenges
Facilitator: Janet Myers

During this work group, sites will present their plans for retention and share which strategies have proven successful as well as challenges faced. This work group will allow sites to give and receive feedback to each other as well as to strategize for increased retention in years 3 and 4.

III. Trouble-Shooting Data Collection Issues
Remi Frazier

The work group will provide an opportunity for sites to problem solve and receive technical assistance for data collection issues including ACASI, data upload, medical chart abstraction, etc.

2:30 Report Back

2:45 Closing Comments/Wrap-Up

3:00 Adjourn
